CERTIFIX HSS COBALT

Jobber Drill Bit

PRODUCT DESCRIPTION

5% cobalt-alloyed jobber drills with high heat-resistance for drilling steels with tensile strength over 800 N/mm², especially suitable for high alloyed steels, bearing-steels, hot/cold-rolled steel. Ideal for stainless steel. Although our most common sizes are the 4.9mm & 9.5mm we do also provide vast number of other sizes.

PRODUCT FEATURES

- Self-Centering thanks to special point shape
- Up 600° drilling even with the highest thermal stress
- Due to special drill grinding fast drilling progress and up to 50% less feed pressure required

TECHNICAL INFO

Part Number	62300300100
Sizes	1.4 – 16.00mm
Colour	Grey
Material	Cobalt
Power Source	Hand Powered
Qty / Pack Size	1
Measurement System	Metric

TO BE USED WITH:

Makita 18V Brushless TEK Screwdriver LXT
